Head Start is a comprehensive child development program designed to foster the healthy development of preschool children and their families.

Child Development Services:

- Quality preschool education to promote school readiness skills;
- Ongoing developmental screening and assessment to meet the varying needs of children;
- Activities to build social and self-help skills.

Health & Nutrition:

- Work with families to address special health and nutritional needs;
- Provide healthy meals and snacks;
- Health & nutrition screenings.

Family Services:

- Parenting support and education;
- Parent involvement opportunities and social activities;
- Support with access to needed community services.

The Hillsboro Child Development Center provides a number of program options to meet family needs.

- Head Start preschool program which meets 8:30-12:30, Monday through Friday from September through mid-June
- Full and half day child care serving children 2 1/2 -5 years of age
- Before and after school programming for children aged 5-10

Staff:

The staff of the Hillsboro Child Development Center have over 25 years of combined experience working with young children and their families. They have degrees in Early Childhood Education as well as ongoing training hours and certificates.
