Participating in the USDA  
Emergency Food Assistance Program

2017 Edition Sponsored By:  
NH Community Action Agencies

# SUMMARY

---

---

The Emergency Food Assistance Program (TEFAP), a USDA food program, is responsible for the purchase and distribution of a variety of nutritious commodities to assist feeding families and individuals in need. In New Hampshire, with assistance from the State Surplus Distribution Section, this commodity distribution effort is coordinated by Community Action Agencies in cooperation with a statewide network of food pantries, soup kitchens and homeless shelters.

This directory contains a statewide listing by county of all food pantries, soup kitchens and homeless shelters currently participating in the TEFAP program. It is designed to assist various organizations and departments in locating geographically those organizations that participate in providing USDA commodity foods to people in need of food assistance.

We hope you will find this directory to be a useful guide for referring those who are seeking assistance to food pantries, soup kitchens and homeless shelters within your communities and throughout the State.

Please keep in mind that information such as location, contact persons and times may change periodically. This information is current as of 3/16/2017.

For more information on the TEFAP program or to view this brochure electronically, please visit our website at [www.bm-cap.org/tefap.htm](http://www.bm-cap.org/tefap.htm); call TEFAP at 225-3295 or email [remerson@bm-cap.org](mailto:remerson@bm-cap.org).
