

# T.E.A.C.H. Early Childhood® NH Information Session

The T.E.A.C.H. Early Childhood® (T.E.A.C.H.) Initiative is a national, evidence-based strategy that creates access to higher education for teachers, directors and family child care providers working with young children in out-of-home settings. T.E.A.C.H. provides comprehensive scholarships to enable these early educators to take coursework leading to credentials and degrees by making it possible for them to afford both the time and expense of going to school. Recipients enroll in courses at local colleges while working at least 30 hours per week. Recipients also agree to remain at sponsoring center for at least one (1)-year following the completion of their scholarship contract. T.E.A.C.H. Early Childhood® New Hampshire has four scholarship options for teachers and family child care providers in New Hampshire. In each of these information sessions, we will discuss this initiative and what it has to offer to NH Providers.
